

CLEETHORPES COMMUNITY Carnival 2016

Saturday 16th July 2016

Welcome to Cleethorpes Community Carnival 2016 – the premier carnival event in the North East of England.

Established 41 years ago the carnival continues to grow with the support of Cleethorpes Events and main partner Young's Seafood, all working on a voluntary basis. Without the assistance of both, this event would not take place.

As with any major event, Health and Safety is key and we are bound under the Health and Safety Act 1974 and Management of Health and Safety at Work Regulations 1999.

To ensure the event goes as smoothly and safely as possible we ask you to adhere to such Health and Safety legislation but also any rules/procedures that the event committee request you follow.
